John F. Kennedy

There was sound of laughter; in a moment, it was no more. And, so, she took a ring from her finger and placed it in his hands.

There was a wit in a man neither young nor old; but a wit full of an old man's wisdom, and, then, in a moment it was no more. And so, she took a ring from her finger and placed it in his hands.

There was a man marked with the scars of his love of country, a body active with the surge of a life far, far from spent and, in a moment it was no more. And so, she took a ring from her finger and placed it in his hands.

There was a father with a little boy, a little girl and a joy of each in the other. In a moment it was no more, and so she took a ring from her finger and placed it in his hand.

There was a husband who asked much and gave much, and out of the giving and the asking, wove with a woman what could not be broken in life, and, in a moment it was no more. And so she took a ring from her finger and placed it in his hands, and kissed him and closed the lid of the coffin.

A piece of each of us died at that moment. Yet, in death he gave of himself to us. He gave us a good heart from which laughter came. He gave us of a profound wit, from which a great leadership emerged. He gave us a kindness and a strength fused into a human courage to seek peace without fear.

He gave us of his love that we, too, in turn, might give. He gave that we might give of ourselves, that we might give to one another until there would be no room, no room at all, for the bigotry, the hatred, prejudice, and the arrogance which converged in that moment of horror to strike him down.

In leaving us--these gifts, John Fitzgerald Kennedy, President of the United States, leaves with us. Will we take them, Mr. President? Will we have, now the sense and the responsibility and the courage to take them?

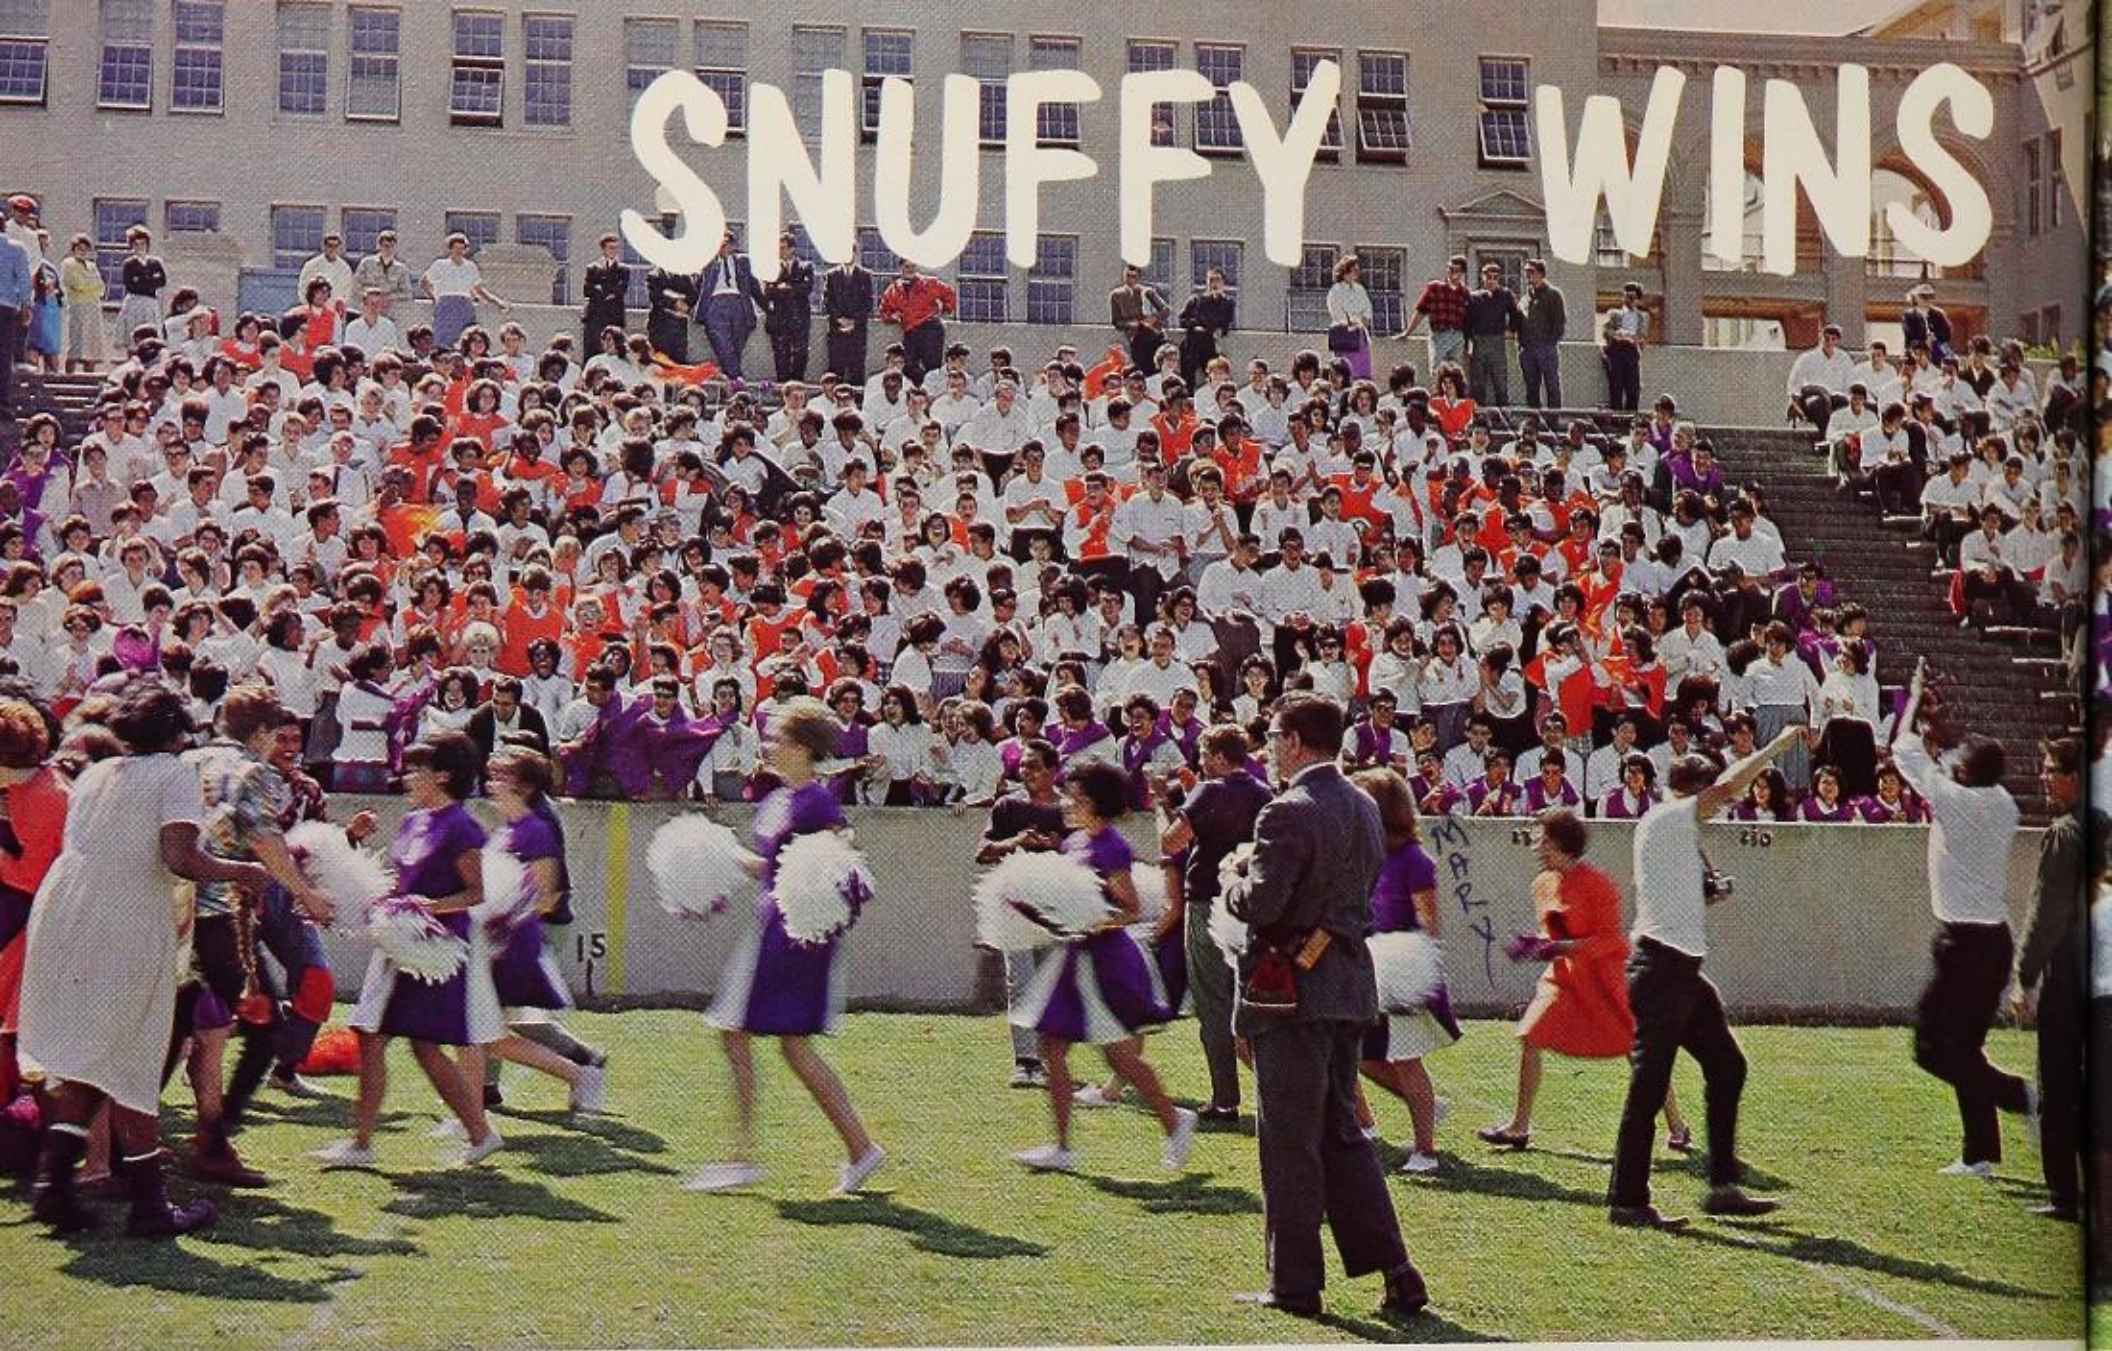

Senator Mike Mansfield
Senate Majority Leader

Lynn Pecuilionis

A bright hello, a shining smile and a cheerful laugh - this was Lynn Pecuilionis, a loyal Galilean who died during the Spring Semester. Lynn was a H-11, vice-president of her registry 412, a member of Footlights Club, and was a Sophomore Song girl for the Song and Yell Contest, but Lynn will always be remembered most because of her warm and vibrant personality. Laughter and friends followed Lynn wherever she went. Now the laughter is silent and her quick smile is gone. It is with love that everyone who knew Lynn will remember her.

Dedication

This yearbook is dedicated to a man whom many are proud to call a friend; a man who has helped many boys to find themselves and to clarify their ambitions, and who donates a great deal of his personal time to make the ROTC Brigade capable of winning the Bell Trophy. We, the yearbook staff dedicate this, the 1964 Telescope, to Master Sergeant George K. Lindsey.

PRINCIPALS MESSAGE

Galileo Galilei, after whom our school was named, was a man of great stature. As we commemorate his 400th birthday, we are reminded of the struggle he had to end an era of superstition and ignorance so that men might glimpse the wonder of the universe. The telescope (that he perfected) is the instrument still used for exploring the heavens for truths.

As young men and women of reason you too have a responsibility to the society in which you live. Too many of us are complacent and self satisfied with the role that we play. We take too many things for granted and let opportunities slip by - This we cannot afford to do. We must try to develop our abilities to their highest potential. Only then shall we be ready to become happy successful and contributing members of our society. Galileo High School -- has much to offer -- don't miss this opportunity.

DR. JAMES C. MORENA

If you were to walk into 207, the counseling office, you would find a patient, understanding, and gentle man surrounded by stacks and stacks of papers. This person is Dr. Carlson, the head counselor at Galileo. He has charge of all the counseling services of the school. Under his guidance are an educational counselor, a vocational counselor, and a work counselor. Dr. Carlson is also in charge of the grade counselors who are assigned to each registry. Many students do not realize it, but Dr. Carlson is the person who is responsible for the scheduling of students and the working out of their programs. We should all appreciate this service which he performs so ably.

Mrs. Higgins is the dean of girls and the assistant principal of our school. She is also the advisor of the Girls' Council which is a well-known service club at Galileo. As dean of girls, she takes all disciplinary action against girls whenever necessary and any other added duties which are given to her by the principal. She also sees to it that all classes are supervised by a teacher at all times. As you can see Mrs. Higgins is a very busy person, and we at Galileo appreciate all that she is doing for us.

Mr. Smith is the dean of boys and the assistant principal at Galileo. He and Mrs. Higgins have very much the same jobs. Mr. Smith however takes care of disciplinary cases with the boys. Mr. Smith is often the link between the police and the student in cases of student crime. He also handles conferences with parents concerning their child's behavior in school. Mr. Smith is actually the Vice-Principal and substitutes for Dr. Morena whenever Dr. Morena finds it impossible to be at school.

O. J. Simpson, 24, receives a quick hand-off from QB Dennis Duzdevich, (15) at the S. H. game.

Rooting section cheers for Lions

No other team at school could be said to have greater determination than the Varsity Football Team. Its perseverance was shown by its out-scoring many teams in the second half. The fact that our team was never shut out is another proof of its drive.

The team was weak defensively because of a very light line, 165-pound line average. But to make up for it, the team had perhaps the best and the fastest backfield in the city. However, the light line made the team vulnerable to the heavy defense of other teams.

Galileo can hope to see a better and more successful season next fall. Since most of the good players this term were juniors, we can expect to see them on the field next season. Also members of our second-place Junior Varsity team will be moving up into the ranks of Varsity Football.

Varsity

The Varsity Football songgirls swing through one of their many routines at a game at Kezar. They are Left to Right: Pat Maloney, Bev Cancilla, Phyllis Bacigalupi, Janet Ottone, Mary Ann Papia, Noreen Froli. (Mary Anne Clima is not pictured).

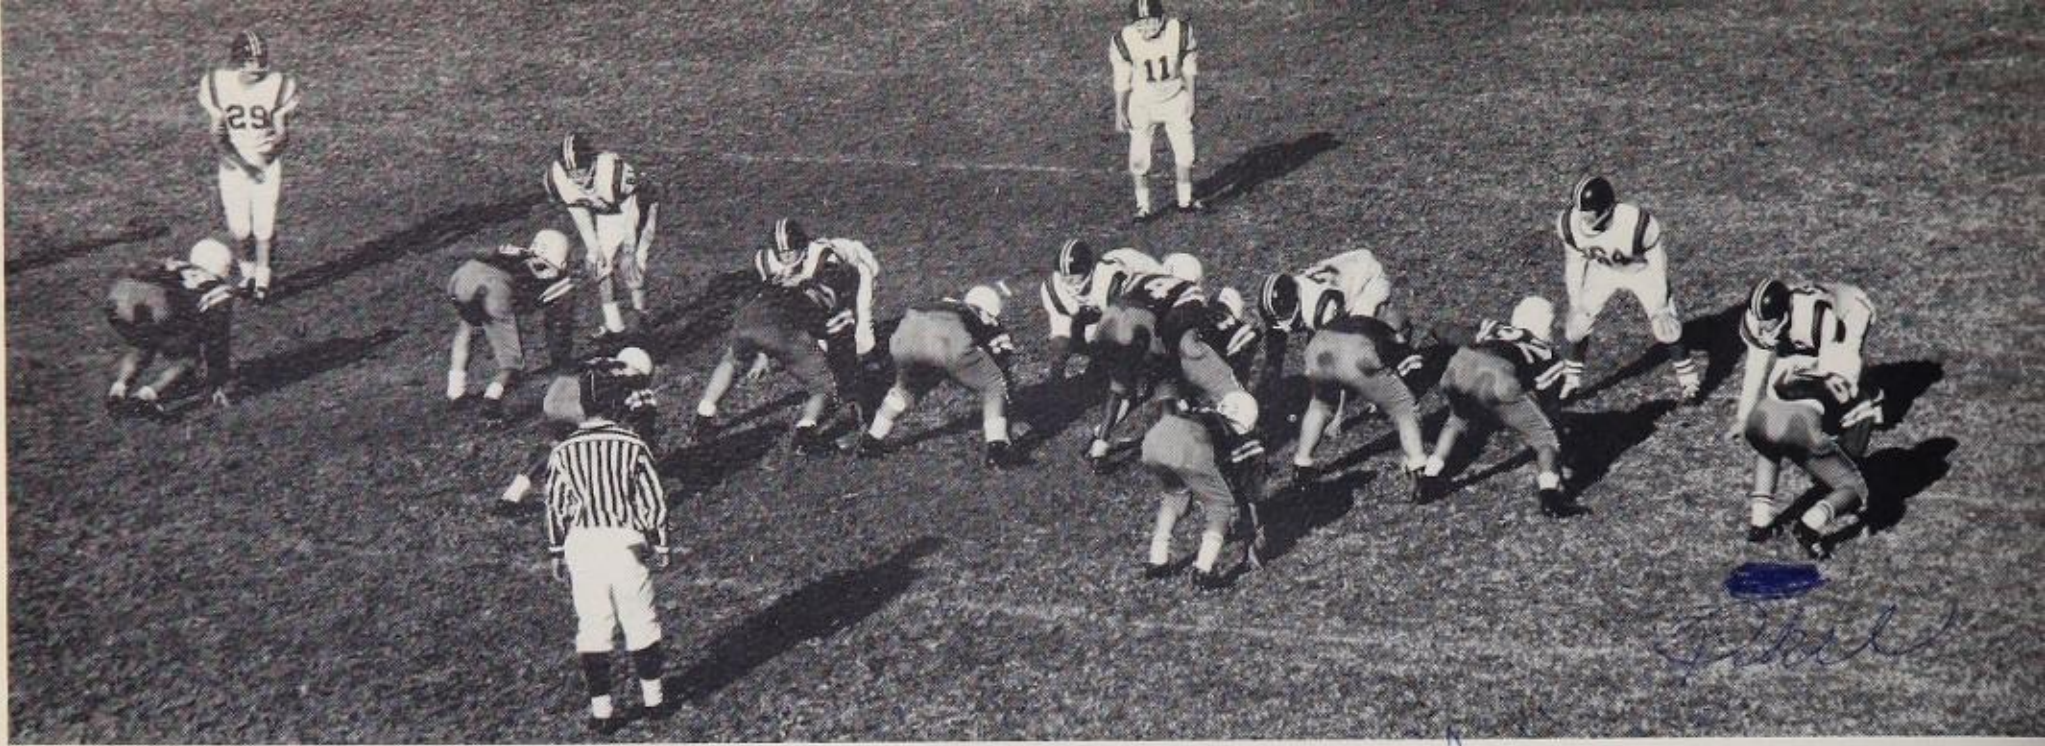

Four Galileans (left to right), George Ranjo 25, Al Oliver (no number), John Seals 34, Al Crowlings 36, stopped Malone of Washington after a 4-yard gain.

Football

Al Oliver, 83, uses the back of Sacred Heart's Chris Ransome to help him in catching a pass from QB Dennis Duzdevich.

Thatcher Baker sets the hungry Lions as they get ready for another drive to the goal line of Washington.

LEFT TO RIGHT: Miranda Yee, Miltinnie Wong, Gail Dea, Mary Vindis, Sandy Yates, Agnes Au, Rosie Chew, and Sharon Widdle.

J. V.'S 2nd

The J. V.'s season was a successful one but not without injuries. Galileo took second place with a five-win one-loss, and one-tie record. Outstanding lineman this year include Paul Ferguson, Ed Callahan, Mike Matta, Loreto Almazol, Jack Mould, John Herzstein, Jay Simons, Phil Fienberg, and John Caselli. The outstanding backs were Ron Omota, Jim Taylor, Thatcher Baker, Ron Patterson, Vincent Anderson, Stan Domingue, and Ralph Moniot.

The Junior Varsity football team requested that special recognition go to Coach Jack McCaffery for his understanding and fine coaching which drove them on to victory.

Ron Omoto streaks pass Balboa tacklers as he heads for a touchdown.

STANDING (left to right): Edward Powell, Manuel Vagas, John Wong, David Lenci, Mike Farnam, Eugene Bland, Dennis Boschetti, Odell Williams, Wayne Webush, Wing Ng, Mr. Setting. KNEELING: Anthony Hardin, Lawrence DellaCella, Frank Burns, Douglas Polter, Dennis O'Brien, Dave Smith, Steve Silvers, Ben Lenci, Malon Lee, Fay Wong, Terry Baracca, Vince DellaCella. SITTING: Larry Diminque, Douglas Fung, Richard Ching, Hanlon Chan, Jerry Jew, Jerry Landrey, Joe Salengdon, Robert Ragland, Carl Ching, James Dean.

Terry Baracca leads the way down field while Larry Diminque carries the ball with Odell Williams and Dave Smith guard the back.

Soph-Fresh

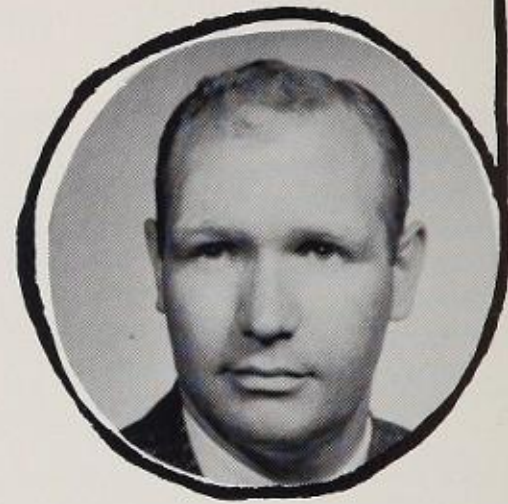

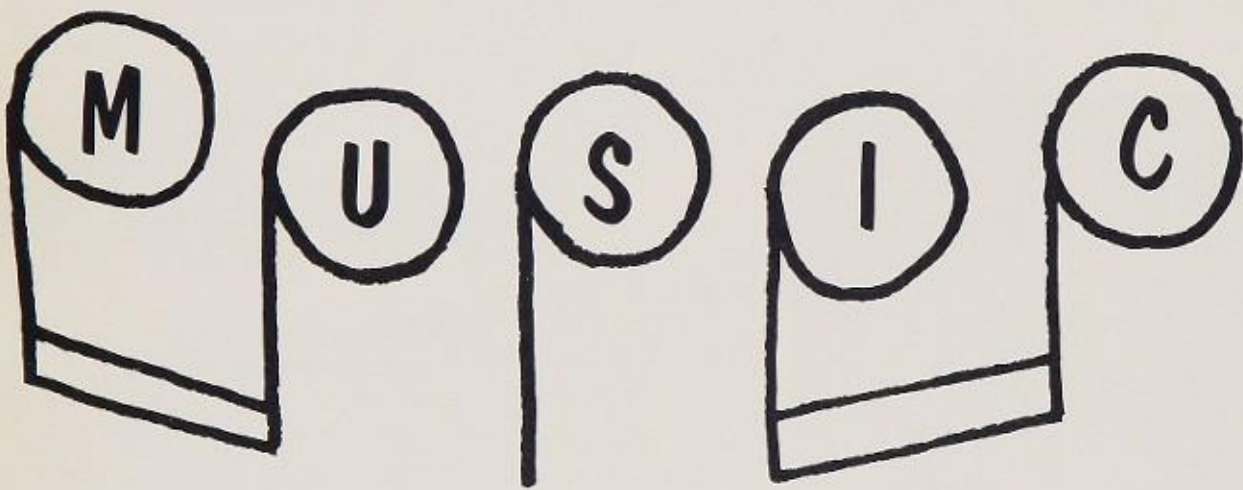

The Soph-Fresh had a fine season even though not doing so good on the win and loss column. There were many fine outstanding line-men and backs, special recognition should go to coach Setting for the fine work he has done with the Soph-Fresh football team.

An unidentified Lion is stopped after a big gain into the opposition territory.

The music department under the direction of Mr. Portale has contributed greatly to the social and functional life of Galileo.

NOTES

Galileo's string Orchestra

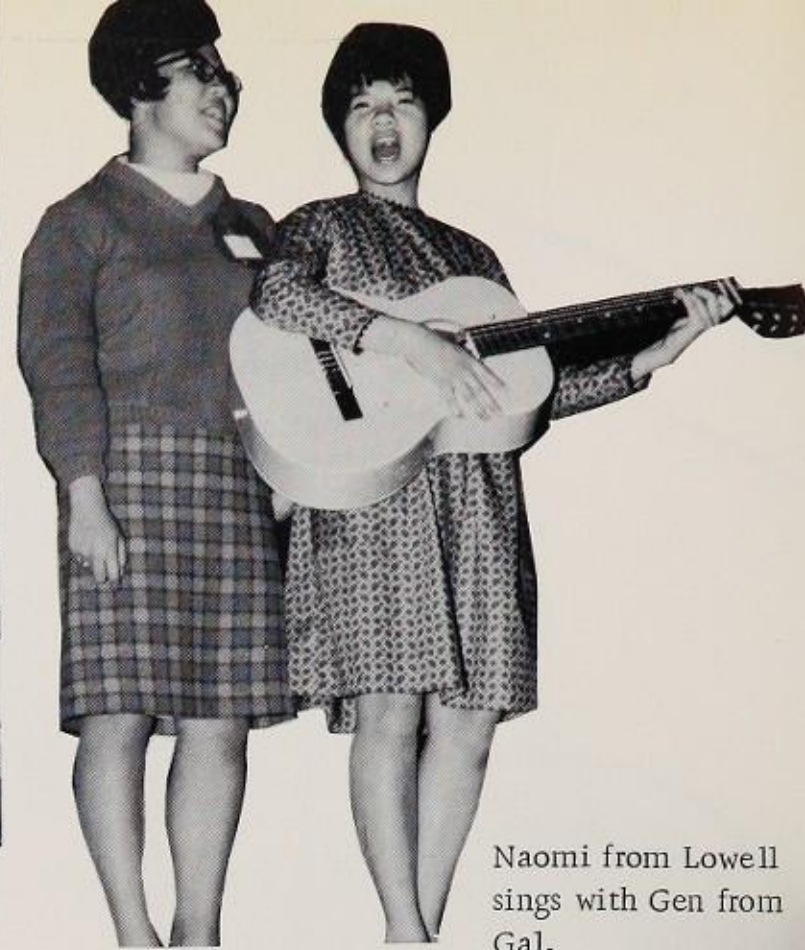

Our magnificent concert band

The music department has performed many times this year--providing audiences with hours of good listening. The school always enjoyed the band and A Cappella Choir whenever they performed at rallies and assemblies. The orchestra and band combined their talents to provide the musical accompaniment for two great musicals--Flower Drum Song in the Fall, and Guys and Dolls in the spring. Their musical abilities were also showed off at an area Musical Festival at Marina where they were well received. The concert band, the orchestra, and the A Cappella Choir later put on their own Music Festival in conjunction with Public Schools Week.

Naomi from Lowell sings with Gen from Gal.

Girls Athletic Asso.

The crowd approves of the singing as you can see from their expressions. The two in the last row are the representatives from Mission.

Poly's representatives (two girls on the left) take time out to dine with Gal's Girls.

POT LUCK DINNER

Galileo tries to unify, more closely, the other schools with ours. We do this by inviting girls from other schools to attend our functions. This year it was our privilege to have as our guests, Naomi Equia, from Lowell; and Willie McLorin and Jonnie Morre from Polytechnic. Washington also sent their G.A.A. officers. By inviting other schools we get to know their school better and they in turn learn about the different activities of our school.

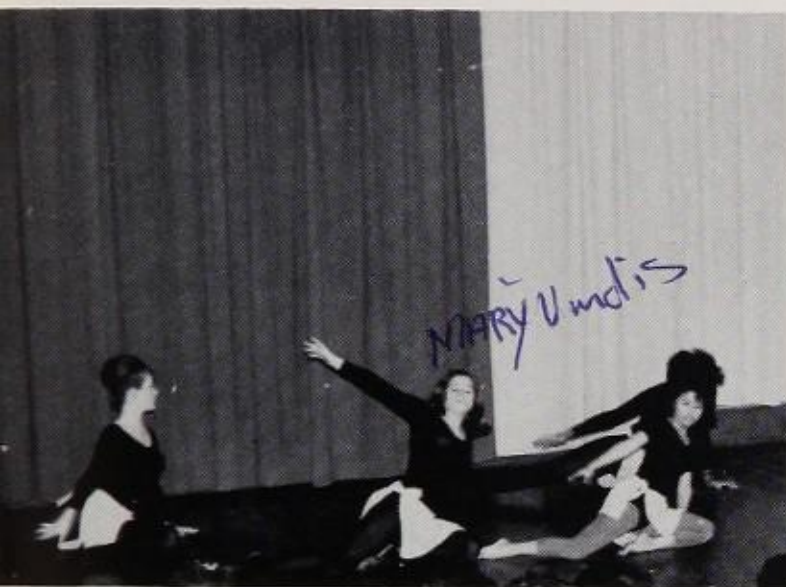

AWARDS ASSEMBLY

Every year the Girls Athletic Association has a get together to award merits to the Girls who have participated in the many sports that are offered before or after school. The awards consist of pins, (six semesters of service); stars, (five semesters of service); blocks, (four semesters of service); circles, (three semesters of service); chevrons, (two semesters of service); and numerals, (one semester of service).

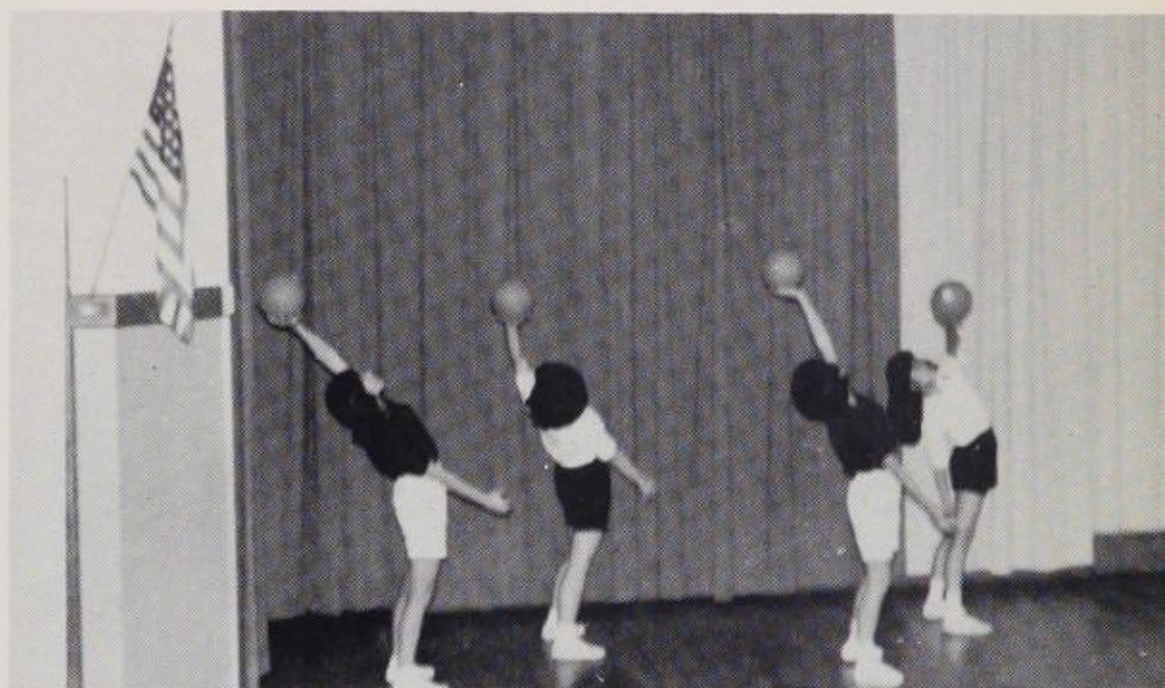

The other part of the Awards Assembly is performances by the different G. A. A. groups.

Those receiving their stars are Deanna Chee, Joellyn Chuck, Liana Gupta, Crystal Jang, Linda Kim, Marilyn Lai, Gayle Lee, Bonnie Lum, Diane Woo and Phyllis Bacigalupi.

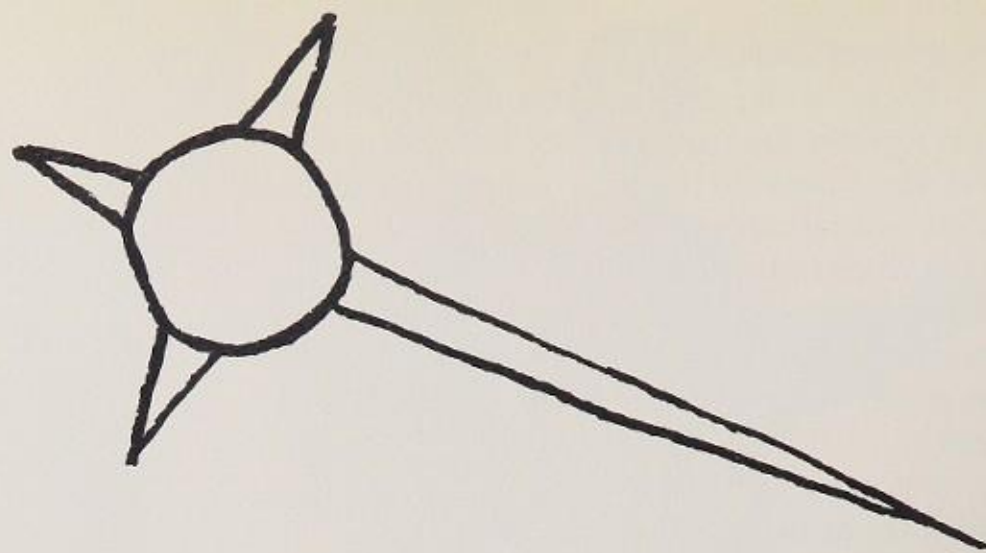

Kohala Hembre, Mary Vondis, Anita Lapating and Marguerite Whitlock perform for the G. A. A. assembly.

Swedish Balls are also included in our entertainment.

The girls receiving their blocks are Judi Canale, Beverly Cancilla, Charlotte Choy, Lesley Corrigan, Angela Lazzarino, Mary Jane Lee, Tillie Lee, Nora Leong, Lorelyn Lowe, Susan Molinari, Sharon O'Sullivan, Georgette Pieraldi, Ruth Thomas, Joan Totaro, Mary Wong and Miranda Yee.

Contact Class

One of the smallest, but most important and interesting classes at Galileo is the Contact Class, taught by Miss Davis, for the mute and seriously hard of hearing. The class consists of nine students who not only have special classes with Miss Davis, but also take other ordinary classes such as English, history, and mathematics. The class has existed for seven years and has the distinction of being the only such class at a public high school in San Francisco.

David Parson is reading the Encyclopedia and Carol Flanary is busy with her homework.

Angela Lazzarino speaks to Susan Molinari with sign language.

Norma Rodriguez is demonstrating her talent on the board.

The Contact Class consists of nine lively teen-agers. FIRST ROW (left to right): Norma Rodriguez, Paula Marino, Angela Lazzarino, and Susan Molinari. SECOND ROW: David Parson, Debbie Spears, Carol Flanary, Marcella Bona di, and Anthony Wong.

Senior Picnic

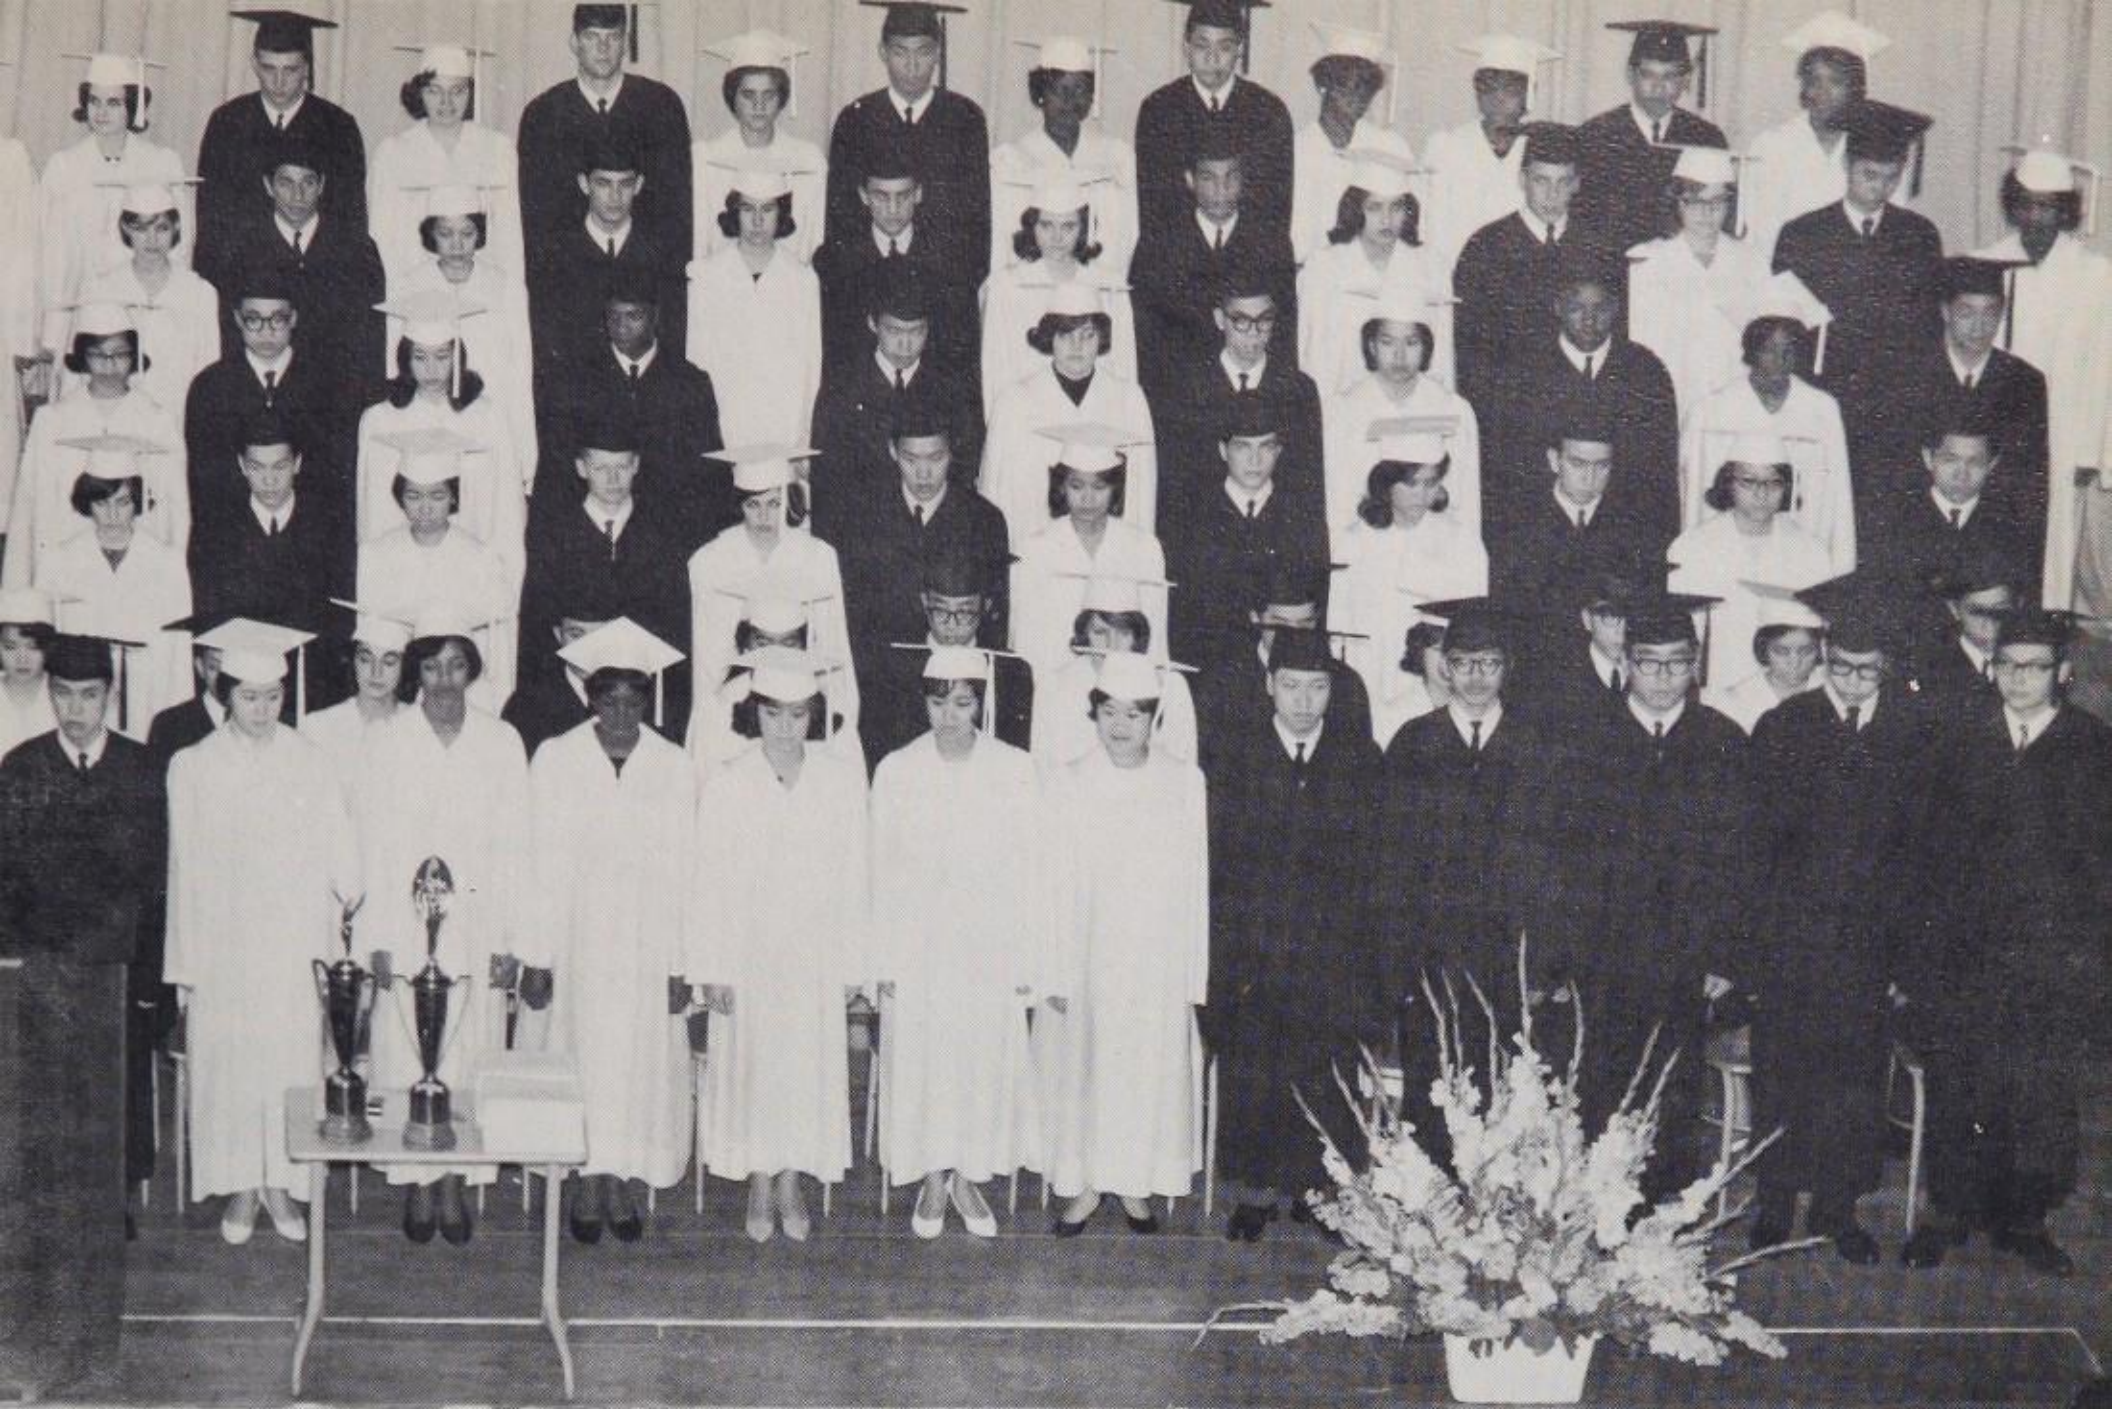

Italian pizza, Dagwood sandwiches, Japanese fried chicken, and other foreign delicacies were typical dishes of the Senior Picnic on October 28th, 1963, at Adobe Creek. The main event of the day was the dunking of several people in the swimming pool. The high-spirited seniors played at the playground, sunbathed, and swam in the ice-cold water. The picnic ended with folk singing and dancing. As the bus rolled for home, the tired, but happy, seniors recalled the memories of that day.

Oh, Galileo, "To thee we raise our voices." As members of Galileo's Fall Class of 1963, we shall never forget our three years here.

"Oh, Galileo High School. Shrine of beloved memory." Memories, memories. . . The three years at Galileo are filled with fond memories--- our instructive classes, our helpful teachers, and our friendly classmates. And all our class activities, which of us will ever forget them? Of all the class activities to be remembered forever by each of us will be our production of The Flower Drum Song. Oh, success--- the sweet smell of success which still is in the air. Ne'er shall we forget this class triumph. Ne'er shall we forget thee, Galileo.

"But let us begin. . . " We have embarked on a thousand mile journey into our futures. Each of us after graduation will be taking separate paths down the road of life. Soon we will enter college; we will find vocations; and some will even choose their lifetime mate in marriage. But the first step of this thousand mile journey was our graduation from Galileo High School.

"Though we forsake thy hallways
Still we shall never fail
To honor and love thee
Alma Mater, hail, Galileo, hail."

Graduating

SUZANNE BERNARDI

Suzanne Bernardi was one girl who was always busy. As the Girls' Vice President, she worked diligently to make our school dances successful. She also held the offices of Corresponding Secretary and of Historian. Through holding these offices, Suzanne has served the student body more than any other member of her class. Galileo will long remember Suzanne for her service and dedication to our school.

What's wrong with having a woman president? Nothing! Carolyn Ichiyasu, one of the few girls in Galileo's history to become SB president, has proven this. She did an outstanding job in leading Galileo's student body through the Fall semester. Carolyn has also held the offices of Corresponding Secretary and of Treasurer, and was an active member of the Girls' Council, GAA, foot-lights Club, and the TELESCOPE staff.

MARIAN GAN

Marian Gan, ninety pounds of senior spirit, began her career at Galileo as sophomore song girl, and never relaxed after that. Much of the time Marian was working behind the scenes on committees---always trying to make her class the greatest ever to come out of Gal. Sometimes she became so involved in the frustrations of student government that the dyke would break and two little rivers of pent up emotion would roll down her cheeks. Then the sun would break through and plucky Marian would be on her way again -- working harder than ever.

Poised and hard working best describe Leanna Larson, who has been an active participant in a number of activities. Leanna, who is interested mainly in Journalism, was the Fall 1963 editor of the Pendulum and had been the editor of the Big Question in her sophomore year.

Besides working on the paper, Leanna was a member of the GAA, the Pep Club, Footlights Club, Lions' League, and Student Council. Leanna's efficiency and contribution to Galileo will be missed around Galileo.

MAY JEW

Petite and friendly May Jew made things brighter for her fellow seniors with her cheerful smile and her lively personality. May has held various registry offices, has served as her class secretary for the entire senior year, and was the managing editor of the TELESCOPE. May, a popular senior, was also a good student with a B average.

His leadership also was utilized in the CSF as its president.

A top student with a 3.86 grade point average, Garrett was awarded a gold pin for his high scholastic record and became a life member of the GSF. His high aptitude in the mathematics and science fields won him the Bank of America Achievement Award and came in third in the All-City competition.

Ever since Pat came to Galileo, she has been active in student activities which include being a class officer, Jr. Red Cross president and a member of the Senior Exclusive committee and of the CSF.
A home economics major, Pat was recommended for the Bank of America Achievement Award and was the school winner of the Betty Crocker Test. Pat plans to teach grammar school or home economics, and surely, this outstanding senior will have no trouble achieving her goal.

An active leadership girl, Linda was a great aid to those overworked gym teachers, and under Miss D.'s direction, learned many points in leadership which she passed on in other lines in her pursuit of knowledge.

DOLORES MIXON

During her two and a half years at Galileo, Dolores Nixon has been a busy participant in student activities. Dolores has been varsity basketball songgirl, junior and senior class songgirl, president of her registry for two years, and an associate judge of the Student Court. We will all miss her happy smile and her enthusiastic and cheerful spirit.

The National Defence Act of 1916 established ROTC programs in high school's throughout the United States.

In 1919 Joseph P. Nourse is credited with the organization of Junior ROTC units in the San Francisco High Schools.

Joseph P. Nourse was Galileo High School's first principal when Jr. ROTC was first started in this school on August 1, 1921. At that time 153 Galileo students were receiving ROTC training. In 1964 our enrollment is up to 240 cadets, the highest enrollment in the Jr. ROTC program in the San Francisco High Schools.

The Jr. ROTC program is intended to train boys for leadership and responsible citizenship. These are two of the most important qualities which one should achieve in school. ROTC gives cadets the satisfaction that occurs from team sports. It regards individual excellence in both academic and mechanical proficiency, such as becoming an expert rifleman or a member of the drill team. There are many programs at Galileo which offer students opportunities to practice leadership. ROTC extends these opportunities. There have been many cadets in ROTC who have been tops in sports and school service while at the same served as ROTC leaders.

ROTC has performed a great service to the school in many ways. Cadets are ushers at all commencement exercises of graduating Galileo students. The Galileo ROTC Battalion has been reviewed in Parades and Ceremonies by many top-ranking military and civic officials. Jr. ROTC has had a long record of service to Galileo since the schools opening 43 years ago.

Judo Club

The term Judo today signifies the subtle Japanese art of defense and attack without lethal weapons. Judo teaches efficient use of mental and physical energy. It is an art in self-realization and true self-expression. It is also a science because it implies mastery of various laws of nature: gravity, friction, momentum, velocity, weight transmission, and the unison use of these forces.

The Galileo Judo Club is an athletic club consisting of ten members, most of those who are cadet officers and cadet NCO's in the ROTC. The head instructor, Cadet Sergeant First Class Gaston Chan, is a first degree black belt holder which is the most advanced position to achieve.

The Telescope Staff

Busy at work from left to right are: Genevieve Lim, the editor-in-chief; John Simmons, Chesley Lee, sports editor; and Marlowe Ng.

Here is the big grin responsible for editing the entire senior section in the spring.

The two co-editors discuss yearbook problems.

Lorrie Low, the photographic editor, Charles Wong, Photographer and staff member, go on with their work while Muffie Cerruti shows her adeptness with the yearbook finances, as business manager.

The staff was supervised by the Telescope advisor, Mr. Brady.

This is the Telescope Staff which put out the yearbook in the Spring. It was a big job which demanded much time and dedication on the part of its staff members. The staff consisted of eleven members, all of which were high seniors with the exception of one-- another cheer for the mighty seniors!

Sylvia Gomez pauses from her work, while Lynne Zuckerbrot and Muffie Cerruti plan a layout.

Lion's League

The Lions' League is one of Galileo's most active service organizations. The Lions' "den" is the school store, affectionately referred to as the "Robber's Roost," where the Lions sell everything from book covers to football "rah phones." The Lions' League is not all work and no fun. Aside from the hilarious lunch time discussions, they travel far and wide on many field trips, the most popular being, of course, "Disneyland" and "Squaw Valley." Taking care of the store and selling candy at football games take up part of the time of the members. The remainder of the time is spent on club projects, such as making cribbage boards and collecting comic books and magazines for the patients at Letterman Hospital.

The smiling senior members of Lions' League are sitting patiently for the camera. **FIRST ROW** (left to right): Charles Wong, Susan Almazol, Ruth Ann Smith, Cheryl Narrows, Margaret Janowsky, Johnny Tang, and Edward Collins. **SECOND ROW**: Marlowe Ng, Marilyn Lai, Melinda Wong, Genevieve Lim, Diane Woo, Crystal Jang, Kathy Fung, and Lorelyn Low.

Mr. Tong's Sea Lions

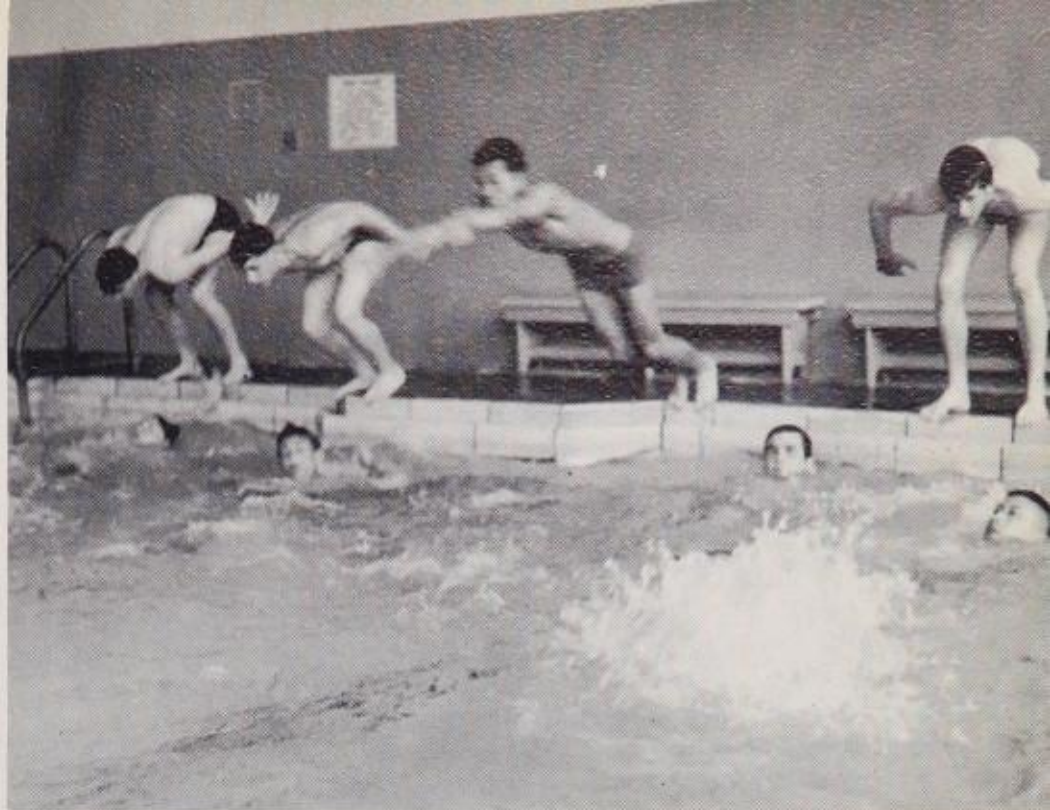

Gary Yung and Youra Federoff are neck and neck as they complete a lap of the breaststroke in a practice race.

Tong's mermen compete against each other in attempts to up the stamina of their relay team.

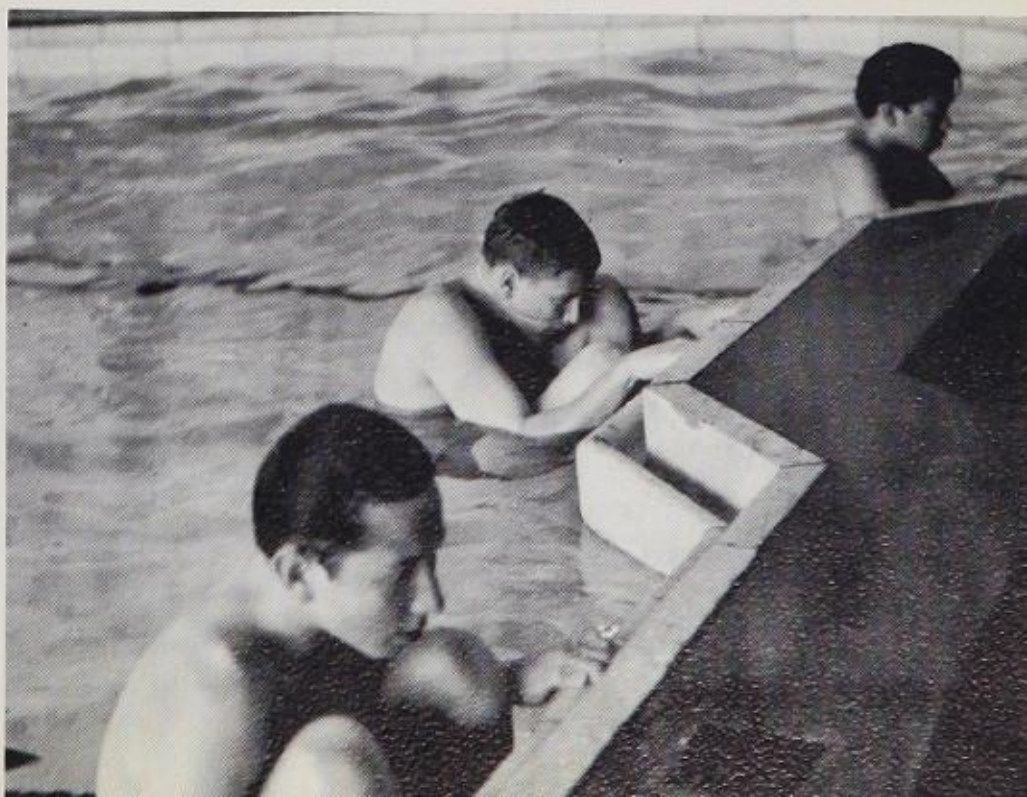

Galileo's swimmers defy the sign on the wall to complete the last lap of a relay race.

This year's swimming team was inexperienced except for a few returning veterans. Its ranks, however, were greatly increased. It was so large that the boys were divided up into the squads, the varsity and the lightweights. Mr. Tong has done a fine job of working the boys into able swimmers. In order to swim in competition one must be in good condition and have endurance. Coach Tong made sure of this, for his hard, fast workouts required the boys to put forth their best.

Lightweight Swimming Team FRONT ROW (left to right): Robert Yee, Tom Gin, Richard Lim, Bill Wong. SECOND ROW: Gary Yung, Bruce Tassi, Bert Simon, Jones Wong, Victor Visaya. TOP ROW: Coach, Stanton Tong; Richard Leong, Dave Dar, Lawrence Tong, Phillip Chiang, Paul Steinert, Ben Lenci.

Pete Goosev, Marshall Mathews, and Tom Gin take a breather before kicking off for another lap of backstroke.

FIRST ROW (left to right): Warren Doo, Richard Chan, Ken Chelini, Larry Farrell, and Chris Gray. SECOND ROW: Kraig Stankey, Eugene Williams, Greg Sinclair, George DeLuca, and Bob Calloway.

Varsity Basketball

Galileo's Varsity Basketball Team placed seventh in the AAA League. Two players were responsible for most of our scoring. George DeLuca scored a total of 118 points and Chris Gray a total of 108 points. But the most credit should go to their coach, Mr. Stan Buchanan. Of course, the pep of the lovely song girls helped too. They were Ruth Ann Smith, Deanna Chee, Sylvia Gomez, Peggy Regan, and Barbara Deloney.

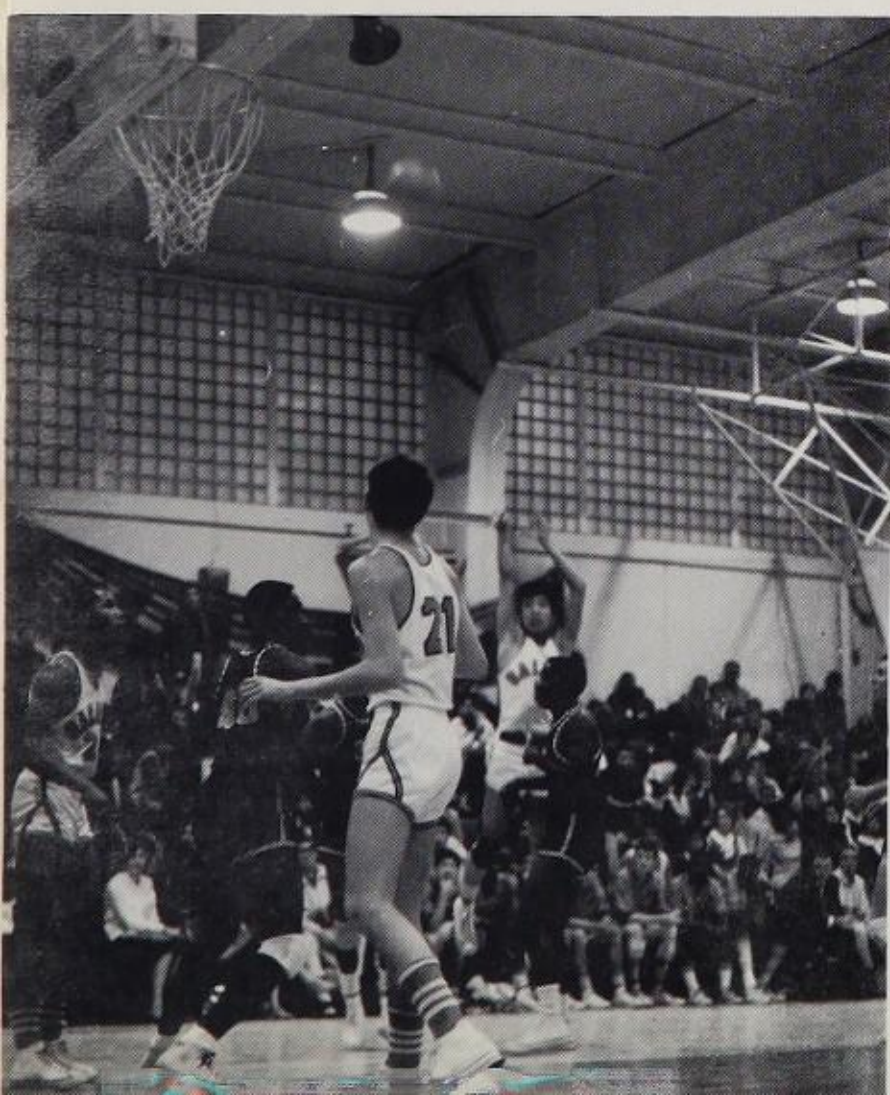

The Buccaneer center jumps high and alone after a tussle under their basket. The Lions are, left to right, DeLuca, Sinclair, Gray, Wilson, and Chelini.

130's Make Play-offs

Galileo's 130's 1962 Basketball Team with Coach McCaffrey missed the finals in the 130's playoffs by losing to the Mission Bears. The score of that crucial game was 34-26. Though they were not able to go all the way to become the champs, the 130's had a very successful season. They were really in there fighting all the way. Two players were recognized for their fine playing. Russell Lee, a high senior, made first string All-City and Tom Gaskin, a sophomore, made the second team.

Our Varsity Basketball Song Girls brought much pep to the games this season. They are Peggy Regan, Barbara Deloney, Deanna Chee, and Ruth Ann Smith and in the foreground seated on the Lion, Sylvia Gomez.

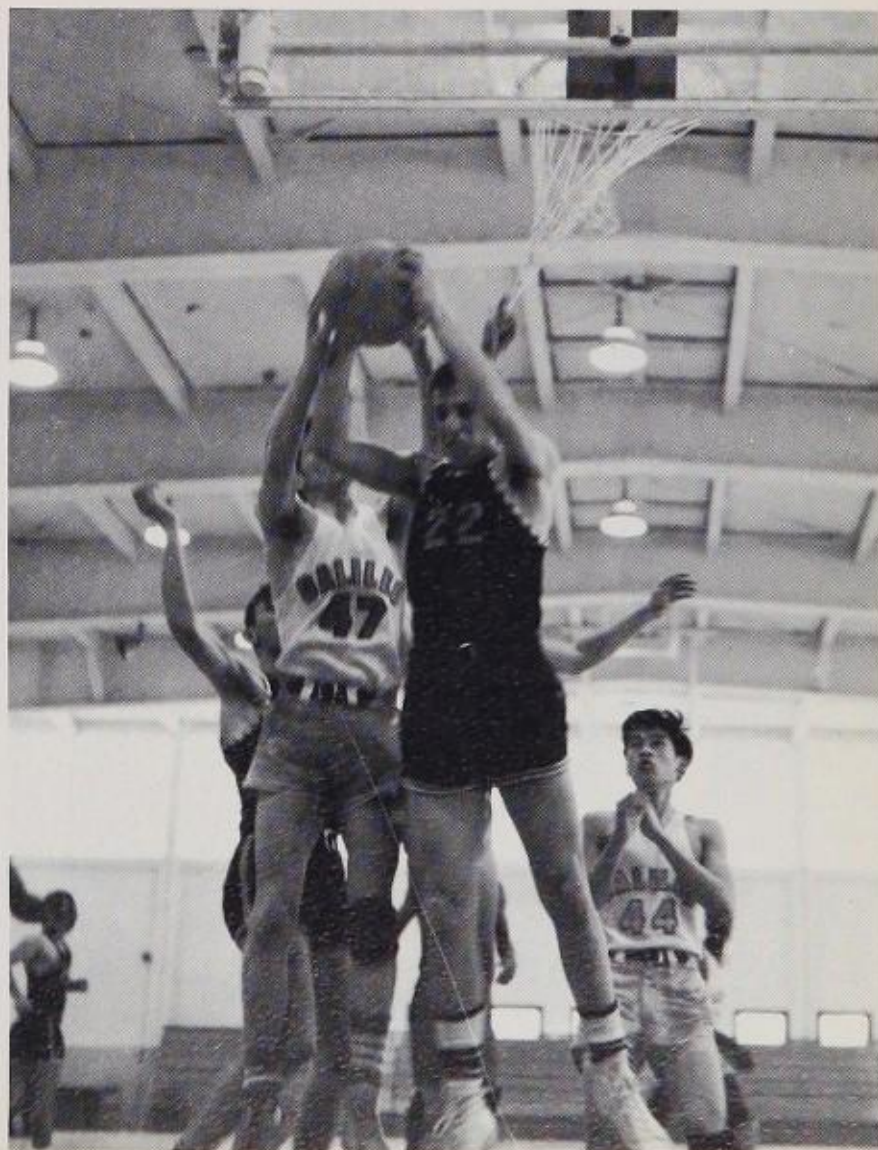

Morgan gets clear of the opponents and takes a lay-up shot that scores.

DeMartini fights off a Balboa Buccaneer to rebound the ball for the Lions.

130's In Action

Harrison (23) takes a shot from under the basket to score two points.

Richmond (47) is up to rebound as Yee(44) stands by.

ON YOUR MARK. GET SET. GO!!

With the fine coaching of Mr. Lucas and a lot of drive, the Cross Country team had a good season. Running against tough competition, Galileo placed sixth, finishing the season with a record of 4 wins and 5 losses. With many veterans returning, prospects are high for next season.

Varsity Track

Obie Goodrich jumps over the high jump bar with ease.

Bob Williams shows the style of throwing the old iron ball.

FRONT ROW: Jim Cortez, David Cho, Larry Dominguez, Gary Yee, Tim Dupre, Ron Omoto.
SECOND ROW: Anthony Flarris, Alfred Louie, Tony E., Jones Dyson, Arlan Huang, Clyde Wong, Terry Thompson.

120's Track

Bell, Wrigley, and Moniot run the hurdles with ease during the track rally.

Clint Wrigley clears the Pole Vault bar at 10 feet without trouble.

Soccer

Peter Wong kicks with everything he's got into the soccer ball, as Dorey Griffin looks on in the back.

Even though having finishing fifth in the league, our Soccer team made a fine showing. There were many veterans on the team representing the different nationalities, some of the nationalities were from the United States, Russia, South America, and China. The most valuable player award this year went to Youra Federoff. He is a 170 pound, 5' 10" right halfback for the Soccer team.

Peter Fong kicks the ball away before the Poly defender can come up to block the try for a goal.

Coach Decker tells how the play should go during time out at the Poly vs Gal Soccer game.

Youra Federoff is shown taking the ball down toward Poly's goal.

The golf team with the top three golfers has had a successful season winning most of their matches. The top three are James Lee, Bill Zeleskey, and Barry Crandall.

Varsity Baseball

Paul Giambra cracks one down the third base line for a double while Steve Moresi looks on.

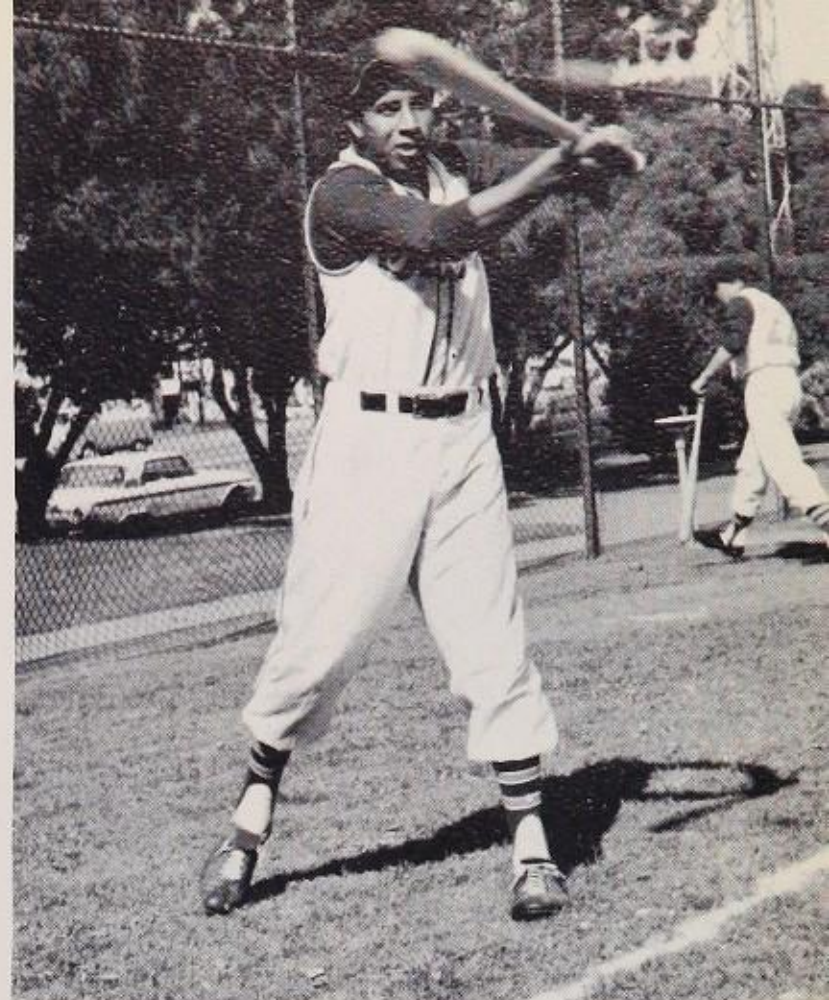

Greg Sinclair pitches a fine game though losing to Lowell. Final Score: 10 - 7

Pete LaRocca makes a fine catch to tag out a Lowell player trying to steal third base.

Rich Thompson swings the bat a few times for warm-up before the game against Lowell.

Galileo Sluggers

Steve Moresi slams a hit up the middle during the Lowell game.

Cosmo Violante, Paul Giambra, and George DeLuca set themselves for another play.

Class History

During the three years we have been at Galileo, it is hard to choose any one day as the most memorable. Of course, we would have to choose the first day because it launched us into three years of studies and fun. The first time we were to work together came on that September morning when we filed into the bleachers to try to win the Song and Yell Contest. Of course, we didn't win as sophomores, but we got awfully close as juniors. And which of us will ever forget that night of fun and dance at our Junior Prom? We will always have these "Moments to Remember."

Soon we were seniors. As the high-and-mighty Seniors, we showed the sophs and juniors how "to song and yell" when we were led to the ultimate victory by Snuffy Smith. Our low wenior term ended with the singing of "You'll Never Walk Alone" for the graduating High Seniors at the Move-up Assembly.

Now we were High Seniors. The time has been short since the first day we were High Seniors on February 3 and now the last few days as students of Galileo High School. The Senior Picnic, Turnabout Day, our Senior Prom, the solemn Move-up Assembly, and finally our commencement exercises brought to an end a memorable three years at Galileo High School.

JOAN TOTARO

If you're ever in search of a good secretary, Joan Totaro is the girl you should see. She has oodles of experience. Joan has been the secretary-treasurer of her registry, secretary of her class thrice, and the Student Body Corresponding Secretary. This term she acted as the recorder-clerk for the Galileo Student Court. Of course she had other interests like Girls Council, the Pep Club, the Red Cross, GAA, Girls Block G, and enjoyed working on committees like the Prom, Spring Festival, Candy and Senior Planning Committees. Her scholastic abilities should not be overlooked because she had also been a member of the Silver Seal Society.

STEVEN BANDETTINI

Perhaps the smartest boy in the class, Steve Bandettini had been quite active in school functions during his three years at Galileo. Leadership would be the best word to describe him. He served as low and high sophomore and low junior Class President, and Student Body Athletic Manager and Boys' Vice President. During his last term, Steve was the Chief Justice of the Student Court in conjunction with his office of Boys' Vice President. He has been a two year veteran on the Varsity Football Team and a member of the Block G Society. However, Steve was not all brawn and no brains. He was ranked number two scholastically in the class of 350 graduates and became a California Scholarship Federation Seal-bearer upon graduation.

PHYLLIS BACIGALUPI

If there was a committee to be formed, one tall red-head would surely be one of its members. Phyllis Bacigalupi was one of the most active girls ever to enter Galileo. A member of GAA, the Footlights and Pep Clubs, Girls Council, and the Red Cross; a Sophomore, JV, and Varsity Song-girl; a many time registry officer; and finally the Student Body Recording Secretary, she still managed to maintain a B average and received her life membership pin to the Silver Seal Society.

Phyllis surely exemplified efficiency in a class so big that organization was needed. She could be held responsible for any job and was always willing and ready to help. Without a girl like Phyllis, few things would have been successful.

LEO HUEY

For the Sophomore and Junior terms, Leo Huey was rather inactive in school functions. He played football and ran track but balanced his athletics by being a member of the C.S.F. He was quiet and relatively unnoticed.

Suddenly with the start of the Senior year, the dynamic Leo Huey came forward to lead the school first as Boys' Vice President and then this past term as the President of the Student Body. Leo's philosophy for a successful student body was "positive thinking." And with positive thinking, Leo and his fellow students helped make the '63-'64 school term a memorable one for all students.

Beautiful, intelligent, and able was this term's Girls Vice President, Faye Shiraishi. Faye was so beautiful that she was the Queen of the Junior Prom and also a Basketball Song Girl. Who said beautiful girls are stupid? Faye maintained a B average and was a member of the Silver Seal Society. As for being able, Faye has been a perfect hostess to guests in conjunction with the G. V. P. She had also been the Student Body Treasurer, all sorts of registry offices, and a member of the Pep Club, the Footlights Club, GAA, and the Lions League. As Faye leaves, Galileo loses some of its beauty.

TOM WASHINGTON

For class leadership during the senior year, Tom Washington has done a great job as Class President. This energetic boy helped make arrangements for many of the successful Senior activities. During his sophomore and junior years, Tom kept himself busy as Class Yell Leader, a member of the dance committee, registry president, a member of the A Cappella Choir, and a member of the JV Baseball Team. Outside of school time, Tom harmonized with four other students to form the Topazians, a popular singing group at Galileo. As a high junior, Tom was elected Class Vice President. The Class of June 1964 will always be indebted to Tom Washington for all he strived to do in making their Senior Year a successful and meaningful one.

LORELYN LOW

It took her three days to choose this picture of herself. She is the photographic editor of THE TELESCOPE and also its co-editor, Lorelyn Low. No one, however, can question the air of efficiency she carries as she enters a project. With this fine attribute she has occupied every office in her registry, has been the Vice President of the Girls Council, an Associate Judge of the Student Court, and a member of the Lions' League, the Silver Seal Society, the Pep Club, GAA, and the Girls Block G. For the remembrance of her efficiency and orderliness, this yearbook best does her honor.

Probably no one recognized her as the school mascot this past term. She is one of those girls who has just about done everything to help student activities become successful. She has been a member of the Senior Activities Planning Committee, the Executive Council, Girls Council and the GAA Board. Holding down class and registry offices, being a member of the Silver Seal Society, Lions League, the Pep Club and the French Club, her pep and vigor has penetrated into every part of the school functions.

BEV CANCELLA

Bev Cancilla was one of those girls who added life to any group. One could depend upon her to begin discussions and activities. She was a real go-getter with initiative which was unmatched. Leadership and active participation characterized her stay at Galileo. She has been her Registry president and secretary, California Scholarship Federation president and vice president, GAA president and secretary, Historical Society president, a member of the Footlights Club, Lions League, Girls' Block G, the Humanities Discussion Group, and The Open Forum. Bev showed how really vivacious she was when she became a Football Song Girl. There need not be more said than that Galileo's activities will lose some of its life without Bev.

RANDI CHAMPION

Talkative will do for a starter as an adjective describing this lovely girl, Randi Champion. Her real name is Randall, but who cares? All one notices is the pep and vitality she brings into any group. Her sincerity of work and action led her to found The Open Forum, to become the Student Body Historian and Treasurer, and to be a member of organizations like the Footlights Club, the Pep Club, Girls' Council, GAA, and many activities committees. Randi has not only been active but also intelligent and served as the Vice President of the Silver Seal Society. All this plus an endless list of other activities and achievements make Randi one of the truly outstanding girls in the class.

Kathy Romney has a friendly outgoing personality and an abundance of energy which never fails her. She has proved that she is outstanding by her many activities and projects here at Galileo. Some of her prouder achievements include having been the Student Body Historian and the Recording Secretary, class Vice President of her registry, and a member of GAA and Historical Society. Kathy used much of her energy as Sophomore and J. V. song girl. Her beauty was also recognized when she was elected the football queen. Galileo will miss such an energetic personality like Kathy.

Extremely athletic and active describe Ken Cereghino. In his three years at Galileo he has been a guard on Frosh Soph and the Varsity Football Teams and a discus thrower on the Varsity Track Team. Also during his Senior year, he has been a member of the Ski Club which must indicate an avid interest in skiing. In conjunction with his active interest in sports, Ken has been Student Body Athletic Manager and has added much school spirit at the games as Head Yell Leader. Other activities in which he participated are: registry president, class vice president, a member of the Block "G" Society, the Footlights Club, and the Spring Festival Committee. As a high senior, Ken was chosen to take the responsibility of co-ordinating the school candy sale.

Dark-haired and petite describe Genevieve Lim, that talented and versatile girl who this term is the Co-editor of THE TELESCOPE. Besides this time-consuming job, she has found time to be an Associate Judge of the Student Court, a member of the Senior Planning Committee. Genevieve's scholastic achievements are high on her list of credits. She picked up her life membership pin to the Silver Seal Society at her graduation.

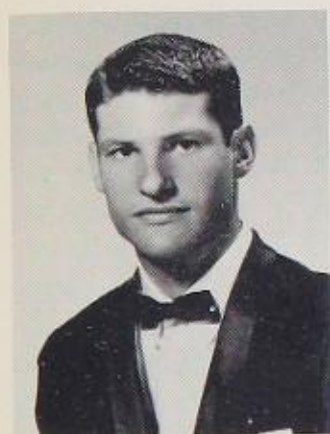

The class will best remember her for her fine job as the co-ordinator of the skit for the Song and Yell Contest in the Senior year. She did an excellent imitation of Snuffy Smith to win the trophy for her class.

SUSAN ALMAZOL

During her two years at Galileo, Susan Almazol has left a marked impression upon teachers and fellow students. Susan can surely take pride in her straight "A" average scholastic record. Brains however are not all that can be commended. Her active interest in her school and fellow students were reflected in her many activities. She worked up from registry secretary-treasurer to similar offices in GAA, CSF, and Girls Council. As a Senior she became the President of the CSF and Girls Council, and the Student Body Corresponding Secretary. She also found time to be a member of the Lions' League and the French Club. Her literary abilities were utilized with her involvement in the school publication, THE PENDULUM, during her senior year.

Susan will be remembered by all as the girl with the sincere and smiling face and with a great sense of humor.

The TELESCOPE proudly presents Mr. Telescope of 1964, Charles Wong. Undoubtedly a top salesman, Charles sold more yearbooks than any of the other contestants. Perhaps this can best be explained by his personality. Charles, who is always neat and debonair in appearance, is a very hard-working, dependable, and outspoken fellow. He is always willing to accept responsibility when it comes to work and he is never afraid to state his opinion, whether or not they might invite criticism. As for being a salesman, Charles has just enough aggressiveness and ambitiousness to be a successful one. The job of a salesman as one well knows is a difficult one at times; Charles admitted that some days were pretty discouraging because no one seemed interested in buying yearbooks. He does agree, however, that it was a very worth-while and rewarding experience.

Meet the new Miss Telescope of 1964. Her christened name is Antoinette Cerruti but she is always addressed by the name "Muffie." Asked how she felt about her new title the attractive, sparkly-eyed and beaming senior squealed, "Oh, I can't believe it!" Those who know her can. As business manager of the yearbook staff, Muffie proved to be an efficient, and hard-working person. Muffie's motto certainly seemed to be, "Try and you'll succeed." She worked very hard to promote the yearbook sales. She could be seen running through the halls wearing pigtails and signs that clashed amusingly with her clothes to rouse a little spirit among the student body. No one could argue that Muffie was not the most enthusiastic and hard-working salesman in the contest. As a result, she sold more Telescopes than any other girl.

Dear Galileans:

It is with a relieved sigh and a wistful smile that I can now look back at each page, reminiscing all the gray hairs shed worrying about each layout and all the strenuous work devoted to recapturing the spirit of each event of the past year. It is hard to imagine that the year has gone by so fast and that I can no longer say, "Back to the old drawing board," when I'm on my way to the seventh period yearbook class.

At this time I would like to extend my gratitude to all the members of the TELESCOPE staff for their support. Without their co-operation and hard work, this yearbook would never have been completed.

And now, as I turn this last page over, signifying the close of my duties as your editor, I sincerely hope that you have enjoyed a memorable journey back to that wonderful year through the 1964 TELESCOPE.

Sincerely yours,

Genevieve Lim

John, you're a
real fine great man
and I've had
a lot of fun. Don't
knowing you. Love,
Joice

Big John,
Best wishes in your
senior year, Good Luck
playing varsity. Have a
swingin' summer.

Jay

Have a great swinging
protect me in that
line next season
Have Fun

John

To a guy with a huge
heart. It's been great
having you as a teacher
neighbor, especially during the
fall term. Oh that's a good
picture you took in swimming
Ha! Ha! Larry
